Dev Log 01 – Omar Al-Dib

1. WHAT I ACCOMPLISHED (Time taken approx. 2 hrs)

+/- Researched and went over android studio videos and tutorials, as well as github

+/- Helped figure out a room to book and time to have weekly meetings

+/- Helped come up with ideas for the app's logo

+/- Looked over the different features we could add to the app

2. WHAT I PLAN TO ACCOMPLISH BY NEXT TIME

+/- Try to finalize the logo and figure out the final features

3. WHAT QUESTIONS/DIFFICULTIES AM I HAVING

+/- I am honestly having a lot of trouble using both android studio and github

+/- Trying to get accustomed to java as we will be using it for android studio, also should put more time into studying course

4. WHAT PROBLEMS DID I RESOLVE

+/- Weekly meetings are set

+/- Found online tutorials to help aid the learning of the different programs
